		Lesson 2.1: Graphing Quadratic Functions	Learning targets met?		
			I can graph quadratic functions using five points.		
			I can find and interpret the maximum and minimum values.		
			Homework: Worksheet 2.1 Complete?		
		Lesson 2.2: Analyzing Graphs of Quadratic Functions	I can graph a quadratic function in vertex form.		
			I can write quadratic functions in standard and/or vertex form.		
			Homework: Worksheet 2.2 Complete?		
		Lesson 2.3: Solving Quadratic Equations by Graphing	I can solve quadratic equations by graphing.		
			I can estimate solutions of quadratic equations by graphing.		
			Homework: Worksheet 2.3 Complete?
